Spring Swapfest Update

The 2020 Ozaukee Radio Club Spring Swapfest is still on for May 2. We are continuing to monitor the Covid-19 situation and will look at canceling or rescheduling as the date grows nearer. Things have been changing rapidly and developments may force a reassessment of the situation at any time.

The Spring Swapfest is our major fundraiser and we hope that it will be held, as unlikely as that may seem today. If you have purchased a ticket or table and would like a refund, please contact Tom Trethewey KC9ONY. In the event that the Spring Swapfest is cancelled we would like to ask you to consider your ticket purchase as a donation to the Ozaukee Radio Club. We appreciate your support!
